

RESUME

GEETA JIRALI

Assistant Professor
Civil Engineering Dept
BGMIT, Mudhol.
8971976480
geeta.jirali@gmail.com

Academic Experience: 5.5 years of teaching experience as Asst. Prof. at BGMIT Mudhol.

ACADEMIC RECORDS:

Qualification	School/College	Year of passing	Board/University	Percentage (%)
SSLC	GOVT junior colleglse for girls Jamkhandi	2005	Karnataka State Secondary Education Examination Board	83.20
PUC-II	BHS ARTS AND TGP science college Jamkhandi 587302	2007	Karnataka State Pre University Board	70.50
B.E [CIVIL Engg]	Basaveshwara Engineering College, Bagalkot 587102	2011	Visvesvaraya Technological University(VTU)	CGPA-8.50
M Tech [Highway Technology]	RASTA- Center for Road Technology, Bangalore	2011-2013 (pursuing 4 th semester)	Visvesvaraya Technological University, Belgaum	I Sem: 69.25 II sem: 66.75 III sem: 80.00

STRENGTH

- ❖ Self-learning and motivating character.
- ❖ Hard working and confident.

SUBJECTS OF INTEREST: Highway material, Traffic engineering , Pavement design, Building Material, Soil Mechanics.

PROJECTS UNDERTAKEN:

At Undergraduate Level:

➤ **1. Extension Survey Project on “water supply, highway, sanitary and water tank”**

Summary: Prepared water supply network for area (semikeri) 8km away from the Bagalkot using dead end system.. It was proposed to carry out survey work for the alignment of new highway. separate sewer line system for the area surveyed, Restoration of existing tank and design of spill way.

➤ Final year project:

Planning and Design of Shopping complex in navanagar(Bagalkot) (8th sem live project)

At Postgraduate Level

- **M.TECH I Sem** : “STABILIZATION OF BLACK COTTON SOIL USING CEMENT ”
- **M.TECH II Sem** : “LABORATORY STUDIES ON SOIL,AGGREGATE AND BITUMEN”
- **M.TECH III & IV Sem:** “LABORATORY EVALUATION OF CREEP IN VARIOUS TYPE OF BITUMOUS MIX AT DIFFERENT TEMPERATURE LEVEL”

INDUSTRIAL TRAINING & FIELD STUDIES:

- ✓ Undergone internship training programme at Dharwad for the project **Dharwad-Ramanagar Road-SH-34**,in **SNC-LAVALIN** organization.
- ✓ Involved in structural and functional evaluation of existing SH-17 road.
- ✓ Involved in structural and functional evaluation of BIAL (devanahalli airport) road.
- ✓ Involved in **TRAFFIC VOLUME STUDIES and ROUGHNESS Survey (Bump Integrator Studies)** for various road sections in **Bangalore city**.

WORKSHOPS/SEMINARS ATTENDED:

- National Symposium ON “**Geotechnics for Sustainable Infrastructure Development**” at BEC Bagalkot

- One Week Faculty Development programme on “ **Environmental Management & Sustainable Development**” at K.L.E Institute of Technology.Hubballi
- One Week STTP Programme on“Advances in Construction Techniques” at BLDEA’S BIJAPUR.
- “**Intellectual Property Rights Studies**”, BEC Bagalkot,
- “**One day workshop on NPTEL**”, BEC Bagalkot

Additional qualification: AutoCAD , Staad pro, GIS and MX-.road.
